Push Sign - Antique Pewter

Variant code: 83683

Often used in commercial environments such as pubs and restaurants, our signs can also be a great addition to residential properties..

Sold in singles..

Supplied with matching SS wood screws..

The antique pewter finish is the result of a complex process applied to solid brass, offering an attractive alternative to pewter patina. As this finish is applied to brass rather than steel, it has fewer textural marks making it smoother than our pewter patina finish.
