Technical drawing of a 4\" Bean D Handle. The drawing shows two views: a top view and a side view. The top view shows a horizontal handle with two circular ends. Dimensions include a total length of 181, a central shaft diameter of 28, and a distance of 78 between the centers of the circular ends. The side view shows the handle's profile, which is semi-circular. Dimensions include a height of 29 and a base width of 51.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
