

Straight Knob Bolt – 4" – Black

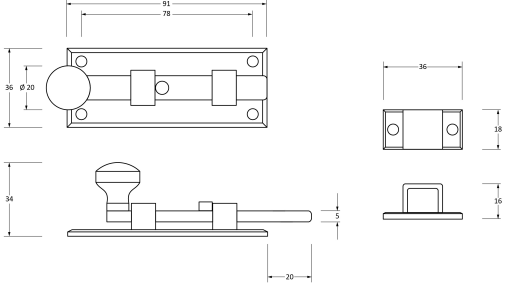

Variant code: 33982

We have an extensive range of door, window, french and flush bolts, ranging from 4" to 12". A multi purpose bolt which can be used on windows or inward opening doors.

- Features a simple round knob end.
- Can be used horizontally & vertically due to the strong spring mechanism incorporated into the bolts.
- Supplied with matching SS wood screws.

Gallery

Technical drawing of a 4" Straight Knob Bolt assembly. The drawing includes three views: a top view showing the overall dimensions (91mm total length, 78mm between mounting holes, 36mm height, and 20mm mounting hole diameter), a side view showing the profile (36mm width, 18mm height, and 16mm base height), and a front view showing the knob and bolt details (34mm knob height, 20mm base width, and 5mm base thickness).

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
