

Ambia-line 300mm wide to Suit 450mm NL Cutlery Insert

Variant code: ZC7S450BS3

Cutlery insert with integrated containers featuring a soft-touch coating. The clearly arranged programme of versatile frames opens up a wealth of design options in terms of the organisation of the insides of furniture and offers practical, everyday functionality.

Suiting the Blum Legrabox range of kitchen drawers, the Orion grey finish is a perfect match.
