Ambia-line High Fronted Steel Frame NL 242x270mm

Variant code: ZC7F300RSU

AMBIA-LINE's minimalist look harmonises beautifully with LEGRABOX, the elegant box system whose drawer sides are slim and straight.

Easy handling
The frames are easy to handle and can be positioned wherever required. A magnet for attachment to the back or sides of other frames and anti-slip feet provide a secure hold.
