

## Ambia-line High Fronted Steel Frame NL 242x270mm

**Variant code: ZC7F300RSU**

AMBIA-LINE's minimalist look harmonises beautifully with LEGRABOX, the elegant box system whose drawer sides are slim and straight.

### **Easy handling**

The frames are easy to handle and can be positioned wherever required. A magnet for attachment to the back or sides of other frames and anti-slip feet provide a secure hold.

### **Product Specifications:**

- Product Type: Drawer Frame
- Nominal Length: 270 - 650 mm
- Width: 242 mm
