

Blum Aventos HK Open Angle Stop – 100°

Variant code: 20K7041

Elevate Your Cabinetry with the Blum Aventos HK Open Angle Stop: Precision, Control, and Elegance

Transform your wall cabinet experience with the Blum Aventos HK Open Angle Stop, a premium solution designed for effortless access and controlled movement. Say goodbye to slamming cabinet doors and hello to smooth, adjustable functionality.

Unleash the Potential of Your Wall Cabinets:

The Blum Aventos HK Open Angle Stop is a crucial component for achieving optimal performance in your Aventos HK lift systems. This ingenious mechanism allows you to precisely define the opening angle of your cabinet door, ensuring it stops exactly where you need it to. Whether you're maximising space in a compact kitchen or creating a luxurious pantry, this feature provides unparalleled control and convenience.

Key Features and Benefits:

- **Precise Opening Angle Adjustment:** Tailor the opening angle to your specific needs, preventing collisions and optimising access. Achieve perfect positioning every time.
- **Controlled Movement:** The integrated stop mechanism gently cushions the door, eliminating slamming and reducing wear and tear on your cabinets. Enjoy a quiet and refined user experience.
- **Enhanced Safety:** Prevent accidental damage and injuries by controlling the door's movement. Protect your valuable cabinetry and ensure peace of mind.
- **Seamless Integration:** Designed for compatibility with Blum Aventos HK lift systems, ensuring a perfect fit and reliable performance.
- **Durable and Reliable:** Crafted from high-quality materials, the Aventos HK Open Angle Stop is built to withstand the rigors of daily use. Invest in long-lasting quality.

and performance.

- **Easy Installation:** Designed for straightforward installation, allowing for quick and efficient setup. (Professional installation recommended for optimal results).
- **Improved Cabinet Functionality:** Maximise the usability of your wall cabinets by ensuring they open to the ideal position for your needs.
- **Modern Design:** The sleek and discreet design seamlessly integrates with your cabinet interiors, maintaining a clean and sophisticated aesthetic.
