Blum Aventos HK Stay Lift System Cover Cap Set - Dark Grey

Variant code: 20K8000DG

Blum AVENTOS HK Cover Cap Set - Dark Grey is designed to provide a clean and finished appearance for AVENTOS HK stay lift systems. Engineered as part of Blum's lift system platform, these cover caps conceal the lift mechanism components, enhancing the overall visual presentation of cabinet interiors.

The cover caps clip securely onto the AVENTOS HK mechanism, ensuring a precise fit while maintaining full system functionality. The **Dark Grey finish** provides a modern and coordinated appearance, complementing contemporary cabinetry and matching other Blum system components.

Designed for durability and ease of installation, the cover cap set allows quick attachment and removal without tools. It integrates seamlessly with the AVENTOS HK system, ensuring a professional finish while protecting internal components from dust and visual exposure.
