

Blum Aventos Servo-Drive Cover Cap Set – For HK Top Lift System – Light Grey

Variant code: 23K8000LG

Achieve seamless, touch-to-open convenience and a refined aesthetic with the AVENTOS HK Top SERVO-DRIVE Cover Cap Set in elegant Silk White. This genuine Blum accessory is designed to perfectly complement your AVENTOS HK Top lift system, providing a clean, finished look while ensuring smooth, effortless operation with the integrated SERVO-DRIVE technology.

Why Choose the AVENTOS HK Top SERVO-DRIVE Cover Cap Set?

- **Perfect Integration:** Specifically designed for AVENTOS HK Top lift systems with SERVO-DRIVE, ensuring a precise and secure fit.
- **Enhanced Aesthetics:** The Silk White finish provides a modern, sophisticated look, seamlessly blending with contemporary kitchen and furniture designs.
- **Concealed Technology:** Neatly conceals the SERVO-DRIVE components, maintaining a clean and uncluttered interior cabinet appearance.
- **Effortless Operation:** Works in conjunction with SERVO-DRIVE to enable touch-to-open functionality, providing unparalleled convenience for overhead cabinets.
- **Genuine Blum Quality:** Manufactured to the highest standards, ensuring durability, reliability, and long-lasting performance.
- **Simplified Installation:** Designed for easy and straightforward installation, making it ideal for both DIY enthusiasts and professional installers.

Key Features & Benefits:

- **SERVO-DRIVE Compatibility:** Optimised for use with Blum's SERVO-DRIVE electrical opening support system.
- **Silk White Finish:** A versatile and elegant colour that complements a wide range of interior designs.
- **Complete Cover Cap Set:** Includes all necessary components for a complete

and polished installation.

- **Durable Construction:** Built to withstand the rigours of everyday use.
- **Improved Cabinet Functionality:** Enhances the overall functionality and user experience of overhead cabinets.

Ideal For:

- Kitchen renovations and upgrades.
- Modern furniture design and construction.
- Creating accessible and user-friendly storage solutions.
- Anyone seeking a premium, touch-to-open cabinet experience.
