

Ball Mortice Knob – 55mm – Satin Stainless Steel

Variant code: ZPS200.SS

The **Ball Mortice Door Knob** combines a timeless spherical design with the strength and durability required for modern architectural applications. Featuring a **55mm diameter ball knob** and a premium **Satin Stainless Steel (SSS)** finish, it provides a clean, contemporary appearance that complements a wide range of commercial and residential interiors.

Manufactured from **Grade 304 stainless steel**, this mortice knob is designed for long-lasting performance and excellent corrosion resistance, making it suitable for both internal and external applications where appropriate. Its ergonomic ball design offers a comfortable grip and smooth operation when used with compatible mortice latches and locks, while the satin finish provides a refined, low-maintenance surface.

Ideal for new-build projects, refurbishments and replacement installations, the Ball Mortice Door Knob offers a durable, stylish and practical solution for high-traffic environments requiring reliable everyday performance.

Product Features

- Ball mortice door knob
- 55mm diameter ball knob
- Manufactured from Grade 304 stainless steel
- Premium Satin Stainless Steel (SSS) finish
- Comfortable ergonomic spherical design
