

Bathroom Turn & Release Set (No Indicator) – 50mm – Black

Variant code: 1405.15.BK

Bathroom Turn & Release Set (No Indicator) is a stylish privacy locking solution designed for bathroom, washroom and WC doors where a clean, minimalist appearance is preferred. Manufactured from **SS304 stainless steel** with a durable **Black finish**, this architectural turn and release set delivers reliable privacy locking while complementing contemporary door hardware.

Featuring a **50mm diameter round rose** with an **8mm projection**, the set incorporates a **cast stainless steel rose** for exceptional strength and durability. The **screw-on rose cover** conceals the fixing points, creating a seamless, high-quality finish that enhances modern interiors. Supplied complete with **fixing screws**, the turn and release set offers straightforward installation and dependable operation, making it suitable for both residential and commercial applications.

Combining premium materials with understated styling, this bathroom turn and release set provides a durable and coordinated privacy locking solution that pairs perfectly with matching black architectural lever handles and accessories.
