

Dovetailed Drawer to Suit Lay On 1000 x 450 x 90mm - Finished Oak

Variant code: FCSS120044090

High quality oak dovetail drawers notched to suit Blum Movento and Tandem runners. Specification: 10mm base, 13mm wall thickness with flush tops and finished with a high quality durable lacquer. Standard size range for common 18mm carcass sizes in both 90mm standard height and 180mm pan drawer height. Both heights are available to suit 450mm runners. In addition the 180mm pan drawer range is available to suit 500mm runners where extra depth is often required. Available for both lay-on kitchens and in-frame kitchens with a 36mm wide face frame.Â
