

## Blum Aventos Front Fixing Brackets – Suitable for HS Lift Systems – For Narrow Aluminium Frames

**Variant code: 20S4200A**

Upgrade your kitchen or furniture design with the AVENTOS HS Front Fixing Bracket, specifically engineered for seamless installation of lift-up fronts within narrow aluminium frames. This high-quality bracket is an essential component for achieving a clean, modern aesthetic with Blum's AVENTOS HS lift system, ensuring smooth and reliable operation for years to come.

### **Designed for Precision and Durability:**

Our AVENTOS HS Front Fixing Bracket is meticulously crafted to provide a secure and stable connection between your cabinet front and the AVENTOS HS lift mechanism. Ideal for applications utilising narrow aluminium frames, this bracket ensures a flush, professional finish while maximising the functionality of your lift-up door.

### **Key Features and Benefits:**

**Specifically for Narrow Aluminium Frames:** Tailored design allows for precise fitting within slim aluminium profiles, eliminating gaps and ensuring a clean, modern look.

**Compatibility with AVENTOS HS:** Designed to integrate flawlessly with the Blum AVENTOS HS lift system, guaranteeing smooth and effortless opening and closing of cabinet fronts.

**Secure and Stable Connection:** Provides a robust and reliable connection, minimising movement and ensuring long-lasting performance.

**High-Quality Construction:** Manufactured from durable materials to withstand daily use and provide years of reliable service.

**Easy Installation:** Designed for straightforward installation, simplifying the process of mounting your cabinet fronts.

**Enhanced Cabinet Functionality:** Optimises the performance of your AVENTOS HS lift system, providing smooth and controlled movement.

**Modern and Streamlined Design:** Contributes to a sleek and contemporary aesthetic in your kitchen or furniture.

**Ideal Applications:**

Kitchen cabinets with aluminium frame doors  
Wall cabinets in modern interiors

Furniture with lift-up fronts  
Commercial and residential applications  
Why Choose Our AVENTOS HS Front Fixing
