Blum Legrabox Internal Front Fixing Brackets - 'C' Height (177.5mm) - Inner Drawer - Gallery - Stainless Steel

Variant code: ZI7.3CIO

Revolutionise your Drawer System with Premium Blum Legrabox 'C' Inner Drawer Connector Brackets with Gallery (Stainless Steel)

Upgrade your kitchen, bathroom, or furniture drawers with the sophisticated and robust **Blum Legrabox 'C' (177.5mm) Front Rail Inner Drawer Connector Brackets with Gallery**, finished in sleek and durable **stainless steel**. These high-quality brackets are specifically designed for use with the renowned **Blum Legrabox drawer system**, ensuring a seamless and reliable connection between the front rail and the inner drawer box.

Key Features and Benefits:

- **Integrated Gallery Rail:** This set includes a stylish and functional **gallery rail** in matching **stainless steel**. The gallery rail adds an extra layer of containment, preventing items from shifting or falling out of the drawer, especially when opening and closing.
- **Robust Stainless Steel Construction:** Crafted from premium **stainless steel**, these connector brackets offer exceptional strength, durability, and resistance to corrosion. This ensures long-lasting performance even in demanding environments.
- **Secure and Stable Connection:** These brackets provide a firm and stable connection between the front rail and the inner drawer box, contributing to the overall smooth and reliable operation of your **Blum drawer system**.
- **Enhanced Drawer Functionality:** The addition of the **gallery rail** significantly enhances the practicality of your drawers, making them ideal for storing a variety of items securely.
- **Sleek and Modern Aesthetics:** The **stainless steel finish** adds a touch of contemporary elegance to your drawer

interiors, complementing modern kitchen and furniture designs.
- **Easy Installation:** Designed for straightforward installation, these connector brackets integrate seamlessly with the **Blum Legrabox system**, saving you time and effort.
- **Genuine Blum Hardware:** As a genuine **Blum product**, you can trust in the superior quality, precision engineering, and long-term reliability that the brand is known for.

Ideal For:

- **Kitchen Drawers:** Perfect for organising utensils, plates, containers, and other kitchen essentials, with the gallery rail providing added security.
- **Bathroom Drawers:** Ideal for storing toiletries and personal care items, preventing them from sliding around.
- **Furniture Drawers:** Suitable for use in bedroom dressers, office cabinets, and other furniture where secure storage is desired.
- **DIY Enthusiasts and Professionals:** Whether you're a homeowner undertaking a renovation or a professional cabinet maker, these brackets offer a high-quality solution for your drawer systems.
