Blum Legrabox Drawer Side - 'C' Height (177.5mm) - Orion Grey - Left & Right Hand 350mm

Variant code: 770C3502SOGV1

Blum LEGRABOX Drawer Side - C Height 177.5mm - Orion Grey is designed to form part of the LEGRABOX drawer system, delivering a slim, modern drawer profile with high structural stability. Engineered by Blum for precision and durability, this drawer side supports the construction of high-quality drawers with clean lines and consistent performance.

The **C height (177.5mm)** configuration is suitable for deeper drawer applications, providing increased internal capacity while maintaining the characteristic slimline LEGRABOX design. The straight inner and outer surfaces allow efficient use of space and enable integration with internal organisation systems. Its robust construction ensures reliable performance when paired with compatible LEGRABOX runners and fixing components.

Finished in durable **Orion Grey**, the drawer side complements contemporary cabinetry designs and integrates seamlessly within the Blum LEGRABOX system. It is designed for use as part of a complete drawer assembly, working in conjunction with runners, back panels and front fixing brackets to deliver smooth and stable drawer operation.
