Blum Legrabox Drawer Side - 'N' Height (66.5 mm) - Orion Grey - Left & Right Hand 400mm

Variant code: 770N4002SOGV1

Blum LEGRABOX Drawer Side - N Height (66.5mm) - Orion Grey is designed to form part of the LEGRABOX drawer system, delivering **compact drawer design**, **precise alignment** and **reliable structural performance** for modern cabinetry applications. As part of Blum's premium drawer platform, it supports a clean, straight-line aesthetic while ensuring consistent operation across a wide range of drawer configurations.

The **N height (66.5mm)** provides a low-profile drawer side, making it ideal for shallow drawer applications where space efficiency and accessibility are essential. Its slim metal profile contributes to a **refined, minimalist appearance**, allowing seamless integration into contemporary kitchen, wardrobe and storage designs. The drawer side works in conjunction with compatible Blum runners and back panels to ensure **smooth drawer operation** and **stable construction**.

Finished in **Orion Grey**, the drawer side complements modern cabinetry and maintains a consistent visual finish across the LEGRABOX system. Available in multiple **nominal lengths**, it can be specified to suit different cabinet depths while ensuring accurate fit and reliable system performance.

Product Features

- Designed for **Blum LEGRABOX drawer systems**
- **N height (66.5mm)** for compact drawer applications
- Slim drawer side profile for **modern, straight-line design**
- Supports **stable and rigid drawer construction**
- Finished in **Orion Grey**
- Available in multiple **nominal lengths**

Product Benefits

- Ideal for **shallow and compact drawer configurations**

SWS HARDWARE
