

Blum Legrabox Drawer Side – 'N' (66.5 mm) Height – 500mm NL – Left & Right Handed – Stainless Steel

Variant code: 770N5002IV1

Boost Functionality and Aesthetics in Your Projects with Premium Drawer Systems

The **Legrabox Drawer Side 'N' Height – 450mm Nominal Length (NL) – Orion Grey** offers a superior solution for creating sleek, high-performance drawers in a variety of applications. Designed for both **left and right-hand installations**, this versatile component is ideal for **joiners, architects, project managers, and kitchen designers** seeking quality, durability, and a sophisticated finish.

Key Benefits for Your Business:

- **Premium Quality & Reliability:** Built with robust materials, Legrabox ensures smooth, silent operation and long-lasting performance, reducing callbacks and enhancing client satisfaction.
- **Sleek & Modern Aesthetics:** The elegant **Orion Grey** finish adds a touch of contemporary sophistication to any design, appealing to discerning clients.
- **Versatile Application:** Perfect for **kitchen drawers, furniture drawers, storage solutions, and commercial fit-outs**, offering flexibility across diverse projects.
- **Efficient Installation:** Engineered for ease of assembly, saving valuable time and labour costs on site or in the workshop.
- **Optimised Space Utilisation:** The 'N' height design maximises internal drawer space, providing practical storage solutions.
- **Consistent Performance:** Ensures smooth opening and closing, even with heavy loads, reflecting the quality of your workmanship.
- **Durable Finish:** The Orion Grey coating is resistant to scratches and wear, maintaining its aesthetic appeal over time.
- **Left & Right Hand Compatibility:**

Simplifies ordering and inventory management with a single product for both sides.

- **Seamless Integration:** Designed to integrate seamlessly with other Legrabox components for a cohesive and professional result.
