Variant code: 750.4001SRH

Experience Unmatched Drawer Performance with Blum Legrabox Blumotion Runners (40kg Capacity)

Upgrade your drawers to the pinnacle of smooth, silent operation with the **Blum Legrabox Blumotion Runners**. Engineered with precision and renowned Austrian quality, these premium drawer runners offer exceptional stability, sleek design, and the unparalleled soft-close functionality of **Blumotion**.

Key Features & Benefits:

- **Effortless Soft-Close:** Integrated **Blumotion** technology ensures a smooth and silent closing action, preventing slamming and enhancing the longevity of your furniture.
- **Unwavering Stability:** The robust Legrabox design provides exceptional lateral stability, even with fully extended and heavily loaded drawers.
- **Sleek and Modern Design:** With its straight inner and outer drawer sides, Legrabox offers a clean and minimalist aesthetic that complements any furniture style.
- **Full Extension:** Enjoy complete access to the contents of your drawers with the full-extension feature.
- **High Load Capacity:** **Specifically designed and tested for a dynamic load capacity of 40kg**, these runners are ideal for demanding applications throughout your home, including kitchens, bedrooms, and offices.
- **Durable and Long-Lasting:** Built with high-quality materials and precision engineering, Blum Legrabox runners are designed for years of reliable performance.
- **Easy Installation:** Designed for straightforward installation, making them a perfect choice for both DIY enthusiasts and professional cabinet makers.
- **Blum Quality Assurance:** Trust in the globally recognised quality and

innovation of Blum, a leader in furniture hardware.

Why Choose Blum Legrabox Blumotion Runners (40kg)?

If you demand the very best in drawer functionality and aesthetics, the Blum Legrabox system is the clear choice. The integrated **Blumotion** ensures a luxurious feel with every use, while the strong construction and **40kg weight capacity** provide the reliability you need for storing heavier items like cookware, files, or linens.

Make sure to select the right weight capacity for your needs. These **Blum Legrabox Blumotion Runners** are specifically engineered to support loads up to **40 kilograms (approximately 88 pounds)**. Choosing the correct weight capacity ensures optimal performance, smooth operation, and the longevity of your drawer system
