Blum Legrabox Steel Back - 'C' Height (177.5mm) - Orion Grey - 300mm

Variant code: ZB7C232SOG

Blum LEGRABOX Steel Back - C Height (177.5mm) - Orion Grey is designed to complete the rear structure of LEGRABOX drawer systems, delivering structural rigidity, precise alignment and a refined, coordinated appearance. As part of Blum's premium drawer platform, it ensures consistent drawer performance while supporting the system's clean, straight-line design.

The **C height (177.5mm)** configuration provides a higher back panel, making it suitable for deeper drawer applications where increased capacity and containment are required. Engineered to integrate seamlessly with LEGRABOX drawer sides and runners, it contributes to **stable drawer construction** and **smooth, controlled operation** across a wide range of cabinet configurations.

Finished in **Orion Grey**, the steel back complements LEGRABOX drawer sides and maintains a consistent visual finish throughout the drawer system. Available in multiple **nominal lengths**, it allows accurate specification to suit cabinet depth and runner selection, ensuring proper fit and reliable system performance.

Product Features

- Designed for **Blum LEGRABOX drawer systems**
- **C height (177.5mm)** for deeper drawer configurations
- Provides **rear structural support** for drawer assembly
- Ensures **stable and rigid drawer construction**
- Finished in **Orion Grey**
- Available in multiple **nominal lengths**

Product Benefits

- Supports **high-capacity drawer configurations**

Tel: 01626 333900
Email: info@swshardware.com

- Maintains **clean and consistent drawer appearance**
- Enables **precise alignment across multiple drawers**
- Provides flexibility across cabinet depths
- Integrates seamlessly with LEGRABOX components
- Suitable for **residential and commercial furniture applications**

Technical Characteristics

- Requires pairing with **Blum LEGRABOX drawer sides and runners**
- Designed for integration with drawer base components
- Nominal length must match runner and cabinet depth
- Supports accurate installation and adjustment
- Engineered for durability and long-term performance
- Ensures optimal operation within the LEGRABOX system

Applications

This steel back is suitable for **kitchen cabinetry, wardrobes, storage units and fitted furniture** where deeper drawer configurations are required. The **C height (177.5mm)** makes it particularly suitable for high-capacity drawers such as pan drawers and storage units. Available in multiple **nominal lengths**, it allows specification across a wide range of cabinet sizes while maintaining consistent design and performance within the LEGRABOX system.

Property	Value
Finish	Orion Grey
Material	Steel
Nominal Length (mm)	232
Cabinet Profile Width (mm)	300
Min. Inner Cabinet Width (mm)	262.5
Max. Inner Cabinet Width (mm)	263.4
