

Blum Legrabox Steel Back – 'M' (90.5mm) Height to suit 350mm – Orion Grey

Variant code: ZB7M282SOG

Blum Legrabox Steel Back – 'M' Height (90.5mm) – Premium Drawer System Component

Elevate your drawer systems with the Blum Legrabox Steel Back in 'M' height (90.5mm). This high-quality steel back is an essential component of the renowned Blum Legrabox drawer system, known for its sleek design, exceptional stability, and smooth, silent operation. Crafted with precision engineering and durable materials, this steel back ensures the structural integrity and longevity of your drawers.

Key Features and Benefits:

- **Specifically Designed for Legrabox:** This steel back is engineered to perfectly integrate with Blum's Legrabox drawer sides, guaranteeing a precise and secure fit.
- **'M' Height (90.5mm):** This specific height offers a versatile solution for various drawer applications, providing ample internal space while maintaining a streamlined external appearance.
- **Robust Steel Construction:** Manufactured from high-grade steel, this back panel provides exceptional strength and rigidity, preventing bowing or flexing even under heavy loads.
- **Enhanced Drawer Stability:** The steel back contributes significantly to the overall stability of the drawer box, ensuring smooth and consistent movement.
- **Sleek and Modern Aesthetics:** The clean lines and metallic finish of the steel back complement the contemporary design of the Legrabox system, adding a touch of elegance to any furniture.
- **Durable and Long-Lasting:** Blum products are built to last, and this steel back is no exception, offering years of reliable performance.
- **Easy Installation:** Designed for straightforward assembly, the steel back simplifies the drawer construction process.

- **Part of a Complete System:** As a component of the Legrabox system, it seamlessly integrates with other Blum Legrabox elements, such as drawer sides, runners, and front fixing brackets.

Ideal Applications:

The Blum Legrabox Steel Back in 'M' height (90.5mm) is perfect for a wide range of applications, including:

- **Kitchen Drawers:** For cutlery, utensils, pots, and pans.
- **Bedroom Furniture:** For clothing, accessories, and personal items.
- **Bathroom Cabinets:** For toiletries and linens.
- **Office Furniture:** For files, stationery, and supplies.
- **Living Area Storage:** For media, games, and household items.
- **Commercial and Retail Spaces:** For durable and reliable storage solutions.

Product Specifications:

- **System:** Blum Legrabox
- **Height:** 'M' (90.5mm)
- **Material:** Steel
- **Finish:** Metallic (typically a brushed or powder-coated finish, specify if applicable)
- **Compatibility:** Designed for use with Blum Legrabox drawer sides. (check titles to see if the back matches the side measurements)

Why Choose Blum Legrabox?

Blum is a globally recognised leader in furniture hardware, renowned for its innovative designs, superior quality, and exceptional functionality. The Legrabox system exemplifies this commitment, offering a premium drawer solution that combines aesthetics, performance, and durability. Choosing the Blum Legrabox Steel Back ensures you are investing in a component that will contribute to a high-quality and long-lasting drawer system.
