Blumotion For Doors - Hinge Side

Variant code: 970A1002

BLUMOTION - Perfect movement, quiet and easy. For use with Blum Hinges For drilling or in combination with adapter plates. Assembly Position and Number Required - BLUMOTION 970A is for location on the hinge side, and guarantees perfect motion even for angled hinges. The hole for BLUMOTION 970A needs to be drilled into the cabinet top. The correct position is set using the drilling distance (BA). If the BLUMOTION effect is insufficient, we recommend installing an additional BLUMOTION 970A in the bottom.
