

## Brasso – 75g

**Variant code: 73102**

Our polished and aged brass finishes are unlacquered meaning they will naturally tarnish over time.

If a bright polished finish is preferred then periodically polish our product with this Brasso.

| Property | Value          |
|----------|----------------|
| Finish   | Polished Brass |
| Range    | Brasso         |
