

Bun Mortice/Rim Knob Set – Ebony & Polished Brass

Variant code: 83563

Our wooden bun collection is manufactured from solid timber and offered with polished brass or polished nickel roses.

Can be matched with our plain escutcheon if a locking door is desired.

Can be used with a multitude of heavy duty locks, latches & thumbturns for various uses within the home.

- The strength of the spring found in a heavy-duty lock/latch will ensure the knob returns to it's original position.
- We recommend using a 3", 4" or 5" latch/lock.
- Supplied with matching SS wood screws.

An ebonised finish made from rosewood timber. Favoured for its rich dark tones, this finish is a popular choice in traditional properties and often used to complement rim locks or to create a statement on internal doors. When paired with brass it accentuates the traditional look and when used with nickel or chrome it creates a more contemporary feel.
