Blum Clip Top - Cristallo Adhesion Plate for Glass/Mirror - Nickel

Variant code: 70T4568C

Blum CLIP top CRISTALLO Adhesion Plate for Glass/Mirror - Nickel is designed to enable the secure installation of Blum CLIP top CRISTALLO hinges on glass or mirror cabinet doors. Manufactured by **Blum**, a globally recognised specialist in precision cabinet hardware, this adhesion plate provides a reliable fixing solution for doors where traditional hinge cup drilling is not possible.

Engineered specifically for **glass and mirror door applications**, the plate creates a secure bonding surface that allows compatible CLIP top CRISTALLO hinges to be mounted without compromising the integrity of the glass panel. Once installed, the hinge clips onto the plate using the standard **Blum CLIP top attachment system**, ensuring dependable hinge performance and smooth door movement.

Manufactured from durable **nickel-plated steel**, the adhesion plate offers strength, corrosion resistance and a clean, neutral appearance suitable for a wide range of cabinetry styles. Its compact design allows it to integrate discreetly with glass door constructions while maintaining compatibility with Blum hinge systems and supporting accurate hinge alignment.

Product Features

• Adhesion plate designed for **glass and mirror cabinet doors**
• Compatible with **Blum CLIP top CRISTALLO hinge systems**
• Allows hinge installation **without drilling glass panels**
• Durable **nickel-plated steel construction**
• Designed to integrate with the **Blum CLIP top hinge system**

Product Benefits

• Enables secure hinge installation on glass or mirror doors
• Protects glass panels by eliminating the need for drilling
• Supports smooth and reliable door movement

• Maintains clean aesthetics within glass cabinet designs
• Suitable for residential and commercial furniture applications

Technical Characteristics

• Designed for **glass and mirror door installations**
• Compatible with **Blum CLIP top CRISTALLO hinges**
• Durable **nickel-plated steel construction**
• Adhesive mounting solution for glass panels
• Engineered for integration within **Blum hinge systems**

Applications

This adhesion plate is intended for **cabinet doors made from glass or mirror materials**, where hinge cup drilling is not suitable. Used with compatible **Blum CLIP top CRISTALLO hinges**, it provides a secure hinge mounting solution while preserving the structural integrity of the glass panel. It is commonly used in kitchens, display cabinets, bathroom furniture and bespoke cabinetry requiring glass door installations.
