Blum Legrabox Drawer Side - 'F' Height (241mm) - Orion Grey - Left & Right Hand 550mm

Variant code: 770F5502SOGV1

Blum LEGRABOX Drawer Side - F Height (241mm) - Orion Grey is engineered to deliver **maximum storage capacity**, **structural stability** and a **refined, straight-line design** within the LEGRABOX drawer system. As part of Blum's premium drawer platform, it supports high-performance drawer construction while maintaining a clean and contemporary aesthetic across a wide range of cabinetry applications.

The **F height (241mm)** configuration provides a taller drawer side, making it ideal for deep storage solutions where increased volume is required. Its slim metal profile contributes to a **minimalist and modern appearance**, allowing seamless integration into high-end cabinetry. The drawer side is designed to work in conjunction with compatible Blum runners and back panels, ensuring **smooth drawer operation**, **stable construction** and consistent performance.

Finished in **Orion Grey**, the drawer side offers a versatile and contemporary colour that complements both light and dark cabinetry schemes. Engineered for precision, it enables **accurate alignment and adjustment**, helping achieve consistent reveals and uniform drawer positioning across multiple installations.

Product Features

- Designed for **Blum LEGRABOX drawer systems**
- **F height (241mm)** for increased storage capacity
- Slim drawer side profile for **modern, straight-line design**
- Supports **stable and rigid drawer construction**
- Finished in **Orion Grey**
- Compatible with **LEGRABOX runner systems**

Product Benefits

- Maximises **drawer storage capacity**

- Supports **clean, minimalist cabinetry design**
- Provides **stable and consistent drawer performance**
- Enables **precise alignment and uniform reveals**
- Complements a wide range of contemporary interiors
- Suitable for **residential and commercial applications**

Technical Characteristics

- Requires pairing with **Blum LEGRABOX runners and components**
- Designed for integration with drawer base and back systems
- Supports accurate assembly and adjustment during installation
- Compatible with full extension runner configurations
- Engineered for durability and long-term performance
- Ensures optimal performance within the LEGRABOX system

Applications

This drawer side is suitable for **kitchen cabinetry, wardrobes, storage units and fitted furniture** where **deep drawer storage and modern design** are required. The **F height configuration** makes it particularly suitable for large storage drawers, such as pantry units and high-capacity storage applications. The **Orion Grey finish** allows it to integrate seamlessly into contemporary furniture designs in both residential and commercial environments.
