

Clip Top 92° Opening Angle Stop for 155° Wide Angle Hinge – Dark Grey

Variant code: 70T7553.09

Nylon stop for use with Blum 155° nil-protrusion hinges.

It may be necessary to restrict the amount a door can open, due to restrictions behind the cabinet door. The angle stop is required when using thicker doors 27 to 31mm, to stop the back edge from clashing with cabinet side.

Opening angle stops are also required when using thicker cabinet sides of up to 34mm.

Material: Nylon

Colour / finish: Dark grey

Fixing of stop: Clip-on

Length: 24mm

Width: 7mm

Thickness: 14mm

Item package: 1 piece (1 required per hinge)
