Blum Legrabox Drawer Side - 'K' Height (128.5mm) - Silk White - Left & Right Hand 400mm

Variant code: 770F4002SSWV1

Blum Legrabox Drawer Side - 'K' (150mm) Height - Premium Quality for Seamless Drawers

Upgrade your kitchen, bathroom, or furniture drawers with the superior functionality and sleek design of the **Blum Legrabox Drawer Side - 'K' Height (150mm)**. Engineered with precision and manufactured to Blum's renowned quality standards, this drawer side ensures smooth, silent operation and exceptional stability for your drawers.

The 'K' height variant offers a **150mm high drawer side**, providing ample space for taller items and maximising storage capacity within your cabinets. Crafted from high-quality steel, these drawer sides are built to withstand the rigours of daily use, promising long-lasting durability and reliability.

Key Features & Benefits:

- **'K' Height (150mm):** Ideal for creating deeper drawers, perfect for storing larger containers, bottles, and various household items.
- **Premium Blum Quality:** Experience the renowned smooth running action and stability that Blum hardware is known for.
- **Sleek and Modern Design:** The clean lines and refined finish of the Legrabox system add a touch of contemporary elegance to your furniture.
- **Exceptional Stability:** Robust steel construction ensures your drawers operate smoothly and without wobbling, even when fully loaded.
- **Effortless Assembly:** Designed for easy and intuitive installation with other Legrabox components.
- **Long-lasting Durability:** Built to withstand demanding use, ensuring years of reliable performance.
- **Versatile Application:** Suitable for a wide range of furniture applications, including kitchen drawers, pantry pull-outs,

bathroom vanities, and office storage solutions.

Important Compatibility Note:

When ordering the Blum Legrabox Drawer Side - 'K' (150mm) Height, it is **crucial to ensure that this specific height is compatible with all other components of your Legrabox drawer system**, including the cabinet profiles, drawer base, back fixing brackets, and front fixing brackets. Incorrectly sized components will result in an improperly assembled and non-functional drawer. Please double-check your existing Legrabox system specifications or consult the Blum technical information to guarantee a perfect fit.

Invest in the Blum Legrabox Drawer Side - 'K' (150mm) Height for a drawer system that combines exceptional performance, durability, and sophisticated design. Remember to verify the compatibility of this 150mm 'K' height drawer side with your existing Legrabox components for seamless integration.
