Olympia Concealed Hinge Mounting Plate

Variant code: 360-P4W-32T

Olympia Concealed Hinge Mounting Plate is a precision-engineered steel mounting plate designed specifically for use with the **Sugatsune 360 Olympia Concealed Hinge Series**. Finished in **nickel**, this mounting plate provides a secure fixing point for concealed hinges, ensuring accurate alignment and reliable long-term performance in premium cabinetry and furniture applications.

Manufactured from high-quality **steel**, the mounting plate offers excellent strength and stability while supporting smooth hinge operation. Its compact design allows for straightforward installation and precise hinge positioning, making it suitable for both new cabinet manufacture and replacement installations. The durable nickel finish provides added corrosion resistance and complements modern concealed hinge systems.

Designed for professional cabinet makers, furniture manufacturers and installers, the Sugatsune Olympia Mounting Plate delivers dependable performance while maintaining the precision expected from the 360 Olympia hinge system.

Product Features

- Genuine Sugatsune Olympia concealed hinge mounting plate
- Designed for the 360 Olympia Hinge Series
- Manufactured from durable steel
- Nickel plated finish
- Provides secure hinge mounting
- Precision engineered for accurate hinge alignment
- Compact, low-profile design
