Cottage Coat Rack - Timber

Variant code: 83746

Our range of coat racks offer a practical solution for entrance doors, hallways or utility rooms.

Features seven beeswax gothic coat hooks on a rustic stained timber back board.

Racks come with hidden fixings plates on the rear to allow easy mounting to your wall.

Our beeswax finish is the most authentic finish for steel. After forging, the colours left in the steel range from blue to deep red ochre. To preserve these beautiful colours, our beeswax products are dipped into hot beeswax. This gives a subtle, matt richness to the metal and offers excellent protection when the products are fitted internally and properly maintained. An extremely natural finish and a far softer alternative to a black powder coated finish.

Property	Value
Finish	Beeswax
Depth (mm)	22
Width (mm)	100
Range	Cottage
Overall Length (mm)	900
