

Cottage Lever Bathroom Set – Black

Variant code: 73108

The cottage set is part of the traditional range of sprung lever handles. A timeless design that lends itself to cottages and historic properties.

- Lever handle for internal doors where privacy is required.
- Set includes 2 lever bathroom handles and coin and release thumbturn.
- Can be used with a bathroom mortice lock.
- Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
