

Cottage Lever Espag. Lock Set – Black

Variant code: 73143

The cottage set is part of the traditional range of lever handles. A timeless design that lends itself to cottages and historic properties.

This handle is unsprung to allow the upward locking movement., Lever handle for external doors where multi-point locking is required.

Set includes an internal and external lever espag lock handle.

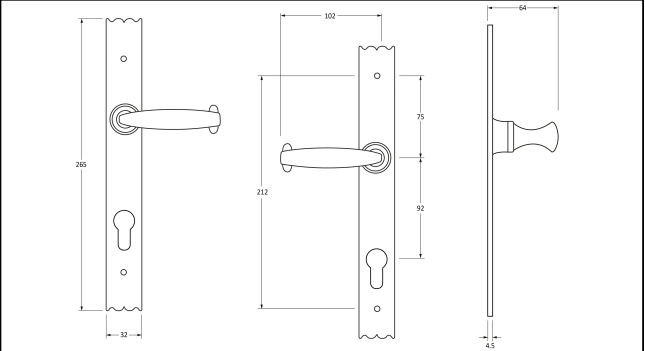

Can be used with a multi-point lock or french door kit in conjunction with a euro cylinder.

Supplied with matching SS bolt through fixings.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
