Counter Plate

Variant code: BMC94200NP

Counter Plate is a genuine strike plate designed for use with compatible **Sugatsune magnetic catches**, including the **MC-JM45** and **MC-JM50** series. Engineered to provide a secure contact surface for the magnetic catch, it ensures reliable holding performance and smooth door operation. Manufactured from durable steel, the counter plate offers long-lasting performance for cabinet, wardrobe and furniture applications.

Designed to work seamlessly with Sugatsune magnetic catch systems, the counter plate helps achieve consistent magnetic engagement while reducing wear on cabinet doors and catches. Its compact design allows discreet installation, maintaining a clean appearance while ensuring dependable door retention.

Ideal for professional cabinet makers, furniture manufacturers and installers, the Sugatsune Counter Plate is an essential accessory for completing compatible magnetic catch installations. Its durable construction and precision design ensure reliable operation in both residential and commercial furniture applications.

Product Features

- Genuine Sugatsune magnetic catch counter plate
- Designed for compatible Sugatsune magnetic catches
- Suitable for MC-JM45 and MC-JM50 series
- Provides a secure contact surface for magnetic catches
