

Cover Caps – Black

Variant code: HG-JHM-16-BL

Black Cover Caps are genuine replacement covers designed specifically for the **HG-JHM16 Torque Hinge with Built-in Damper**. These neatly conceal the hinge mounting points, providing a clean, professional finish while protecting the hinge from dust, dirt and everyday wear.

Manufactured from durable engineering-grade material, the cover caps simply clip into place over the installed hinge, enhancing the appearance of furniture, cabinetry and equipment. Their black finish complements modern interiors and creates a discreet, integrated look, making them ideal for visible hinge installations where aesthetics are important.

Designed as a direct-fit accessory for the HG-JHM16 hinge range, the cover caps are quick to install and remove, allowing easy access for maintenance when required while maintaining a neat appearance during everyday use.

Product Features
