Gallery

Technical drawing of a door handle assembly. The drawing includes three views: a top view, a side view, and a detail view of the handle. Dimensions are provided for each view. The top view shows a width of 91mm and a mounting plate width of 78mm. The side view shows a height of 36mm and a mounting plate height of 20mm. The detail view shows a handle with a diameter of 20mm and a length of 41mm. The handle has a round head and a round base. The mounting plate has a round head and a round base. The handle and mounting plate are made of stainless steel.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
