Deluxe Monkeytail Espag - Right Hand - Black

Variant code: 20450

Our range of monkeytail espagnolette fasteners offer a traditional looking product with the benefits of a modern and secure configuration.

- Designed to fit any type of window, including uPVC and timber due to its slim fixing plate.
- Can be matched with the monkeytail stays in the range.
- The handle is cranked forwards to ensure this protrudes far enough from the window for ease of use.
- The product is handed and therefore care needs to be taken when choosing the correct hand.
- From the inside view, if your window is hinged on the right then a right-hand fastener is required.
- They have a 7mmÂ² x 40mm spindle and can be locked by way of a grub screw.
- Can be used with an espagnolette gearbox & window lock.
- Supplied with matching SS M5 screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.

Property	Value
