Digital Keypad Lock + 60mm Backset Latch Bolt - Black

Variant code: 46287

Reversible latch allows use on left or right handed doors.

Hold back option enables the latch to be held in the open position.

Resettable combination with no keys to lose.

Independently tested to 100,000 cycles.

Weather resistant.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
