

100x100mm Fire Escape Keep Clear – Self Adhesive

Variant code: 2670.04.WS

The **Fire Door Keep Clear Sign** is a premium architectural safety sign designed to provide clear, permanent identification for fire doors. Featuring a **76mm diameter** circular design, this sign displays the mandatory "**Fire Door Keep Clear**" message, helping occupants and visitors comply with fire safety regulations while ensuring escape routes and fire doors remain unobstructed. Manufactured from high-quality **Grade 304 stainless steel** with a **Satin Stainless Steel (SSS)** finish, it delivers a contemporary appearance suitable for a wide range of commercial and public buildings.

Designed for durability and ease of installation, the sign features a **face-fix** design and is supplied with fixing screws for secure mounting. Tested in accordance with **BS EN 1634-1** and suitable for use on **30 and 60 minute timber fire doors**, it helps maintain compliance while coordinating with modern stainless steel architectural ironmongery.

Ideal for new-build developments, refurbishment projects and fire door maintenance programmes, the Fire Door Keep Clear Sign provides a durable, low-maintenance solution that promotes fire safety while complementing contemporary commercial interiors.
