Door Sign Disc 'Fire Door Keep Shut' - 76mm - Polished Brass

Variant code: 2670.02.PB

The **Fire Door Keep Shut Door Sign Disc** is a high-quality architectural safety sign designed to clearly identify fire doors and reinforce essential fire safety procedures. Featuring a **76mm diameter** circular design with the mandatory **"Fire Door Keep Shut"** message, it provides clear visual guidance to help ensure fire doors remain closed, maintaining compartmentation and protecting escape routes in the event of a fire.

Manufactured from durable stainless steel, this premium sign offers excellent corrosion resistance and long-lasting performance in both commercial and public environments. Its contemporary design coordinates seamlessly with modern architectural ironmongery and is suitable for installation on compatible timber fire doors. Available in a choice of **Polished Stainless Steel (PSS)**, **Satin Stainless Steel (SSS)**, **Satin Anodised Aluminium (SAA)** and **Polished Brass (PB)** finishes, it complements a wide range of door hardware styles.

Ideal for new installations, refurbishment projects and ongoing fire door maintenance programmes, the Fire Door Keep Shut Door Sign Disc provides a durable, low-maintenance and professional solution for mandatory fire door identification.

Product Features

- Mandatory "Fire Door Keep Shut" door sign
- 76mm diameter circular disc
