Door Sign Symbol 'Male' - 76mm - Satin Anodised Aluminium

Variant code: 3645.01.SAA

The **Male Door Sign Symbol** is a premium architectural sign designed to provide clear, professional identification for male washrooms, toilets and changing facilities. Featuring a **76mm diameter**, this contemporary sign offers excellent visibility while complementing modern commercial, public and residential interiors. The universally recognised male symbol provides simple and effective wayfinding for visitors and building occupants.

Manufactured from high-quality stainless steel or aluminium, this door sign is built to withstand everyday use while maintaining its attractive appearance. Its clean, minimalist design coordinates perfectly with modern architectural ironmongery and washroom accessories. Available in a choice of **Polished Stainless Steel (PSS)**, **Satin Stainless Steel (SSS)** and **Satin Anodised Aluminium (SAA)** finishes, it can be matched to a wide range of door hardware and interior finishes.

Suitable for new-build developments, refurbishment projects and commercial fit-outs, the Male Door Sign Symbol provides a durable, low-maintenance solution for clearly identifying male facilities while enhancing the professional appearance of any building.
