Door Viewer 180Â° - 38-63mm Door

Variant code: 90246

Our door viewers are a great addition to add extra security to any entrance doors.

Door viewer with glass lens which allows the user to see out for 180 degrees.

Can be used on front doors which vary in thickness between 38mm-63mm.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
