

Dorma Studio – Pair of Tubular Levers – Silver Gloss (157)

Variant code: 10.301

Dorma STUDIO Rondo LM handle set, 20 mm diameter

Colour light metal silver anodized (150) – silver N 600 ST

Lever set, round shape “round shape handle”

- Diameter 20mm
- Suitable for glass door locks with handle guide

We recommend using this handle set with a Dorma (Studio Rondo/Classic, Junior Office/Classic) lock.

If used with a lock from another manufacturer, the optical colour view would differ.
