

DS30 Invisible Soft Closing Hinge – Nickel Silver – Left Hand

Variant code: 50DS30CERSN36

Made of steel, zamak and nylon **Ankor DS-30** is designed to have a load capacity of up to 30 kgs.

The **Ankor DS-30 concealed hinge** is mounted inside milled shelves with the possibility to adjust the door horizontally, vertically and frontally.

Depending on your requirements, you can choose the **Ankor DS-30** in two different finishes: **plain nickel-plated** or **black nickel-plated**. The **Ankor DS-30** furniture hinge gives your furniture an elegant look that will not go unnoticed.

The **Ankor DS-30 heavy-duty furniture hinge** can be applied on aluminium profiles using the specially supplied zamak brackets and a screw cap
