

Euro Door Pull – Aged Bronze

Variant code: 83975

Our euro door pulls are designed to be fitted with euro cylinders. This product is used on entrance doors to pull or push the door into the open/closed position.

Our euro pull is forged from mild steel and is a perfect design choice for external doors with matching products available.

Designed to match our other black front door furniture to create a feature entrance door.

This door pull is used with a euro profile lock in conjunction with a euro cylinder.

Supplied with matching SS wood screws.
