Euro Profile Escutcheon 52 x 8mm - Satin Stainless Steel

Variant code: 1405.13.SSS

Euro Profile Escutcheon on Push-On Rose is a premium architectural accessory designed to provide a clean, professional finish around euro profile cylinders. Manufactured from **Grade 304 stainless steel** with a **Satin Stainless Steel (SSS)** finish, it complements modern lever handles and door furniture while offering excellent durability and corrosion resistance for long-term performance.

Featuring a **52mm diameter push-on rose** with an **8mm projection**, the escutcheon creates a sleek, low-profile appearance by concealing fixings for a refined architectural finish. Precision engineered for use with **Euro profile cylinders**, it provides a secure and attractive surround while coordinating with matching Satin Stainless Steel door hardware.

Ideal for new installations and refurbishment projects, this Euro profile escutcheon delivers a durable, high-quality finishing solution for contemporary internal doors.

Product Features
