External Avon Round Lever on Art Deco Rose Set - Beeswax

Variant code: 45628

Our avon lever handles are our signature design and are extremely popular for their simplicity. The lever is hammered into shape by hand, giving it a contemporary yet individual edge.

Designed to match the avon window furniture in the range.

This concealed lever handle features a stepped art deco rose which matches a number of other products in our range and adds a contemporary edge to a traditional looking product. The handle has a strong spring incorporated into the concealed boss.

- Lever handle for internal and external doors where locking is either required or not required.
- Set includes 2 concealed lever on rose handles.
- Can be used with a multitude of standard locks, euro locks, latches, escutcheons & thumbturns for various uses within the home.
- Supplied with matching SS bolt through fixings & SS wood screws.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax. It has a matt richness and like our standard beeswax, the depth of colour ranges from blue to deep red ochre. An extremely natural finish and a far softer alternative to a black powder coated finish.
