

## External Avon Round Lever on Beehive Rose Set – Unsprung – Beeswax

**Variant code: 49963**

Our avon lever handles are our signature design and are extremely popular for their simplicity. The lever is hammered into shape by hand, giving it a contemporary yet individual edge.

Designed to match the avon window furniture in the range.

This concealed lever handle features a beehive rose which adds a contemporary edge to a traditional looking product. The handle is unsprung and is available on a 2 week lead time.

- Lever handle for internal and external doors where locking is either required or not required.
- Set includes 2 concealed lever on rose handles.
- Can be used with a multitude of standard locks, euro locks, multipoint locks, latches, escutcheons & thumbturns for various uses within the home.
- Supplied with matching SS bolt through fixings & SS wood screws.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax. It has a matt richness and like our standard beeswax, the depth of colour ranges from blue to deep red ochre. An extremely natural finish and a far softer alternative to a black powder coated finish.
