External Avon Slimline Lever Latch Set - Beeswax

Variant code: 45447

Our avon lever handles are our signature design and are extremely popular for their simplicity. The lever is hammered into shape by hand, giving it a contemporary yet individual edge.

Designed to match the avon window furniture in the range.

This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.

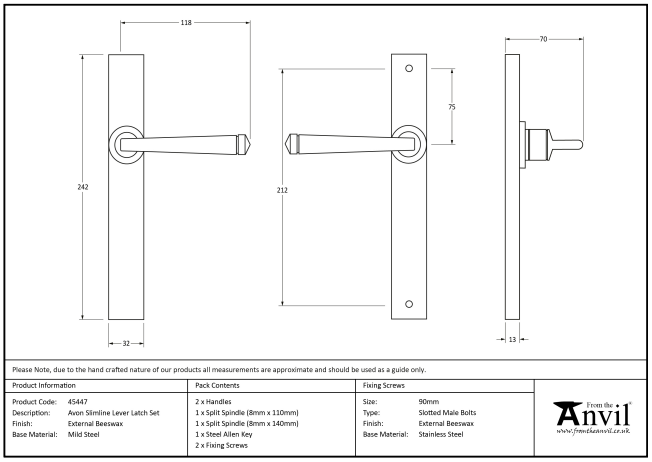

- Lever handle for external doors where multi-point locking is required.
- Set includes an internal and external lever espag latch handle.
- Can be used with a french door kit in conjunction with the slimline avon espag. lock set and euro cylinder.
- Supplied with matching SS bolt through fixings.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax. It has a matt richness and like our standard beeswax, the depth of colour ranges from blue to deep red ochre. An extremely natural finish and a far softer alternative to a black powder coated finish.

Property	Value
Finish	External Beeswax
Depth (mm)	13
