External Barn Door T Hinge - 36" - Pair - Beeswax

Variant code: 45596

When opened a tee hinge has the appearance of a letter 'T'. An alternative to butt hinges, tee hinges are usually used in conjunction with a suffolk latch on traditional plank doors.

Perfect for large garage or barn doors and designed to match our gothic thumblatches and d handles.

- A pair and a half (3 hinges) can be fitted to provide extra strength for heavier doors.
- Our blacksmith tee hinges are hammered into shape from mild steel using the traditional manufacturing method of an anvil and fire.
- Supplied as a pair.
- Supplied with matching SS wood screws.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax. It has a matt richness and like our standard beeswax, the depth of colour ranges from blue to deep red ochre. An extremely natural finish and a far softer alternative to a black powder coated finish.
