

External Cottage Latch – Right Hand – Beeswax

Variant code: 46312

Often selected for internal use as an alternative to a thumb latch, or used externally for entrance and side gates.

On inward opening doors/gates hinged on the right, a right hand cottage latch would be required.

Maximum door thickness: 70mm.

Supplied with matching SS wood screws.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax. It has a matt richness and like our standard beeswax, the depth of colour ranges from blue to deep red ochre. An extremely natural finish and a far softer alternative to a black powder coated finish.

Property	Value
Finish	External Beeswax
Width (mm)	103
Range	Cottage
Overall Length (mm)	152
Handle Length (mm)	69
