

External Locking Gothic Screw on Staple – Beeswax

Variant code: 45601

Can be used as a replacement for a missing part from an existing thumbblatch set.

Ideal to be used instead of the 'drive-in' spike/staple pin if you are fitting to a thinner door or if you don't like the style of the existing pin, Includes a leather strap & pin for locking privacy.

- Sold in singles.
- Supplied with matching SS wood screws.

Our external beeswax is unique to From the Anvil and is manufactured from an anti-corrosive beeswax. It has a matt richness and like our standard beeswax, the depth of colour ranges from blue to deep red ochre. An extremely natural finish and a far softer alternative to a black powder coated finish.

| Property | Value |
